What is Divine Mercy Sunday and why is it so important for our world today?

In response to repeated requests of Jesus himself to Saint Faustina Kowalska in the 1930s, Divine Mercy Sunday was officially declared to be celebrated the first Sunday after each year by Pope St. John Paul II in the Jubilee Year 2000. It is a day of extraordinary grace. A day of many healings, reconciliations, freedom from addictions, and more. The Lord told St. Faustina "On that day the divine floodgates through which graces flow are opened. Let no soul fear to draw near to Me, even though its sins be as scarlet." Miracles of all manner have been reported and continue to be in store for those that seek them.

In preparation for the Feast of Mercy, Jesus gave St. Faustina a novena to begin on Good Friday. He asked that during the nine days preceding Mercy Sunday we bring to Him a different group of souls each day and immerse them in His mercy. In this way, every soul throughout the world is reached.

Wednesday, April 4th will be the sixth day of this powerful novena. On this day we are to pray for the meek and humble souls and the souls of little children.

Join us for this special time of prayer and devotion. Take advantage of this opportunity to learn about and prepare for the Feast of Mercy. Following an unforgettable, moving multimedia presentation there will be a time of Adoration of the Most Blessed Sacrament with devotional prayers and confessions available.
