### On the Vanguard of the New Evangelization

Married lay couple **Dave and Joan Maroney**, founders and directors of Mother of Mercy Messengers, an apostolate, an apostolate of the Marian Fathers, National Shrine of The Divine Mercy in Stockbridge, MA, have been spreading the Divine Mercy message and devotion in parishes, schools and conferences across the country since 1999.

In 2012 they launched the **Divine Mercy for America Campaign** to build a network and movement of faith-filled Americans equipped with an **Action Plan** to fight for souls and country the way Heaven taught Saint Faustina to do for her native land – a land in much need of protection, healing and conversion.

We invite you to come learn intriguing little known facts and history surrounding these revelations given to St. Faustina in Poland in the 1930's and how they relate to our current times. Find hope in the Promises of The Divine Mercy for our families, country and world today. Join us for this time of sharing and prayer, and become a more fervent Apostle of Mercy.

**Divine Mercy devotional materials available for a donation.**
