5:00 - 6:30 PM

Each Sunday we will hear about one or two days of the Novena, looking specifically at other entries from the *Diary of Saint Maria Faustina* to further understand the unique fullness of each day's intention that Jesus gave to St. Faustina, bringing the Novena into a closer focus in our individual lives.

Chaplet and Novena will also be said.
Bring a pen & notebook and, if you have one, the *Diary of St. Faustina*.

Everyone invited!
