## **Celebrate the 40th Anniversary of the Election of Pope St. John Paul II**

On October 22, 1978, a 58-year-old Polish Cardinal by the name of Karol Józef Wojtyła was surprisingly elected pope, the first non-Italian pope in 455 years and the first from a Slavic nation.

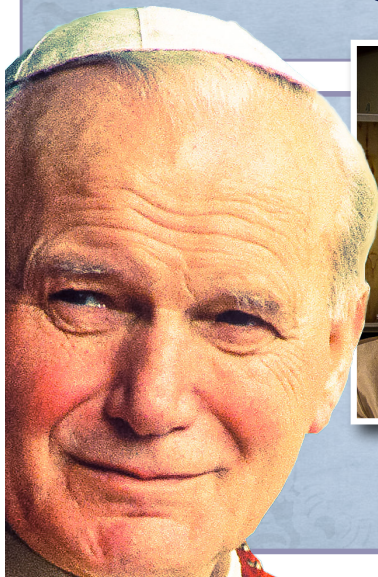

Join us at St. John Paul II parish to celebrate the life and legacy of our patron saint by learning more about The Divine Mercy message and devotion that formed his pontificate and was his “special task” assigned by Providence to make known to the world.
