Dave and Joan Maroney, founders and directors of Mother of Mercy Messengers, an apostolate from the National Shrine of The Divine Mercy in Stockbridge, MA, have been spreading the Divine Mercy message and devotion in parishes, schools and conferences across the country and beyond since 1999.

In 2012 they launched the **Divine Mercy for America Campaign** to build a network and movement of faith-filled Americans equipped with an **Action Plan** to fight for souls and country the way Heaven taught St. Faustina to do for her native land, a land in much need of protection, healing and conversion.

With the **Jubilee Year of Mercy** on our doorstep, an extraordinary opportunity lies ahead. Come learn intriguing little known facts and history surrounding these revelations given to St. Faustina in Poland in the 1930's and you will surely be inspired. Find hope in the Promises of The Divine Mercy for the US and the world today.

Join us for any or all of these events and become a more fervent **Apostle of Mercy**. Join the Divine Mercy for America Campaign and Network today a take part in flooding our country with an Ocean of Mercy!
