

Novena to the Holy Spirit Intentions for 2021

In this Novena we pray for the following multiple, if related, concerns, with certain specific events and persons in mind:

Overall, we pray for The Church and for the world, that The Charity and The Divine Will of The Most Holy Trinity will reign over the human race such that sin will diminish and the salvation of souls by Our Lord Jesus Christ shall be greatly increased to the greater honor, glory and the praise of Our Triune God.

O Lord, we pray:

—for a permanent end to the COVID-19 pandemic, for the complete extirpation of the SARS-CoV-2 microorganisms and for the complete extermination and extirpation of each and every variant and remnant of them. We also pray for the concomitant and permanent termination of Government and other institutional restrictions on worship and on other forms of social gathering, and an end to all mask, social distancing, lockdowns and other extraordinary public health measures, including those which have impaired or limited church, commercial, industrial, educational, governmental, professional, retail or public service facilities from normal operations.

—for the Catholic bishops of the United States of America, that each will heed any valid private revelation request by The Blessed Virgin Mother Mary, especially made by Her as the Immaculate patroness of the United States of America, and that they will do so free from the influence of any error or evil spirit.

—especially for those specific Shepherds of The Lord's Own Flock, who are also certain Princes of The Universal Church of Our Lord Jesus Christ, that The Holy Spirit will descend upon them and deeply penetrate in a particular way the heart, mind and soul of each, such that these princely Apostles may, with holy alacrity, charity, fortitude and wisdom, rectify the features and aspects of The Apostolic See both by the Fire of Charity and by the Splendor of Truth to overcome confusion, to correct untoward actions, and to replace invalid ones.

—that those good and holy bishops and princes impelled to act by The Holy Spirit and all members of The Mystical Body of Christ remain pure of heart and free from the effects or influence of all evil spirits, including any herodian or iscariotic evil spirit.

—for the personal intentions of each person who participates in this Novena.

Amen.
